

Some Other Spring

Billie Holiday

Some other spring
I'll try to love
Now I still cling
To faded blossoms
Fresh when worn
Left crushed and torn
Like the love affair I mourn
Some other spring
When twilight falls
Will the nights bring
Another to me?
Not your kind
But let me find
It's not true that love is blind
Sunshine's around me
But deep in my heart it's cold as ice
Love, once you've found me
But can that story unfold twice?
Some other spring
Will my heart awake?
Stirring to sing
Love's magic music
Then forget the old duet
And love with some other spring
Sunshine's around me
But deep in my heart it's cold as ice
Love, once you've found me
But can that story be told twice?
Some other spring
Will my heart awake?
Stirring to sing
Love's magic music
Then forget the old duet
And love with some other spring
