Over Her

Peter Skellern

You know I been trying to figure out
Just what's going on
Am I over her?
I been doing a lot of thinking lately
Am I over her?
And I'm really missing youIt's been 3 months, 3 hours, 3 days
Since the last time I seen your pretty face
My decision to bring this to an end
And I'm caught up in reminscing
Having faithful visions of long walks, long talks
Play fights, late nights
It's been on my mind since Valentine's
Cause I had your heart and I let it slideI ask myself time and time again (again I'm trying to comprehend that)
Unanswered questions still (things to be are meant to end)Am I over her? (am I over her?)
Am I over her?
Am I over her?
Tell me am I really over my my love (am I over her?)
I can't think straight
Cause I'm too busy thinking of her
Am I really over my love?I was going through some things that I couldn't explain
Now my situation's taking a big change
They say the grass is greener on the other side of town
Now I'm kinda wishing you would come back around
Is she sad or is she mad?
Does she have a new man, does she have it like that?
It's been so long, thought I would've moved on
Could've been strong and picked up the telephoneI ask myself time and time again (again I'm trying to comprehend that)
Unanswered questions still (things to be are meant to end)Am I over her? (am I over her?)
Am I over her?
Am I over her?
Tell me am I really over my my love (am I over her?)
I can't think straight
Cause I'm too busy thinking of her
Am I really over my love?It's water under the bridge
But I can't seem to forget
All the plans we made, all the time we spent
Makes me reminisce
I still see your face

All this love I can't replace
Am I over (am I over)
Am I over her? (her now)Am I over her?
Am I over her? (am I)
Am I over her? (am I over)
Tell me am I really over my my love (my love my love)
I can't think straight (my love)
Cause I'm too busy thinking of her (never gonna be over her)
Am I really over my love? (never gonna be)No
Am I over her?
No not over her no
Ohhhhhh
Am I over her?Am I over her? (over her)
Am I over her?
Am I over her?
Tell me am I really over my my love (am I over her, am I over her?)
I can't think straight (I'm not over her)
Cause I'm too busy thinking of her
Am I really over my love? (ahh oooh)I'm not over my my my love
I'm not over my my my love
I'm not over my my my love (oh no no)
I'm not over my my my loveAm I over her? (I'm not over my my my love)
Am I over her? (I'm not over my my my love)
Am I over her? (I'm not over my love my love, she's my love, she's my)
Tell me am I really over my my love (she's my everything)
I can't think straight (she's my everything, my everything)
Cause I'm too busy thinking of her
Am I really over my love?Not over not over my love
Not over not over my love
I'm not over not over my love
Am I over her?
Not over not over my love..
