Blue, songs are like tattoos You know I've been to sea before Crown and anchor me Or let me sail awayHey Blue, here is a song for you Ink on a pin Underneath the skin An empty space to fill in You've got to keep thinkin' There are so many sinkin' You've got to keep thinkin' You can make it through these wavesAcid, booze and ass Needles, guns and grass Lots of laughs, lots of laughsEverybody's sayin' that hell's the hippest way to go out I don't think so but I'm gonna take a look around it though Blue, I love, I love you, I love youBlue, here is a shell for you Inside you'll hear a sigh A foggy lullaby There is your song
