

Death Alley Driver

Hughes Turner Project

(Blackmore/Turner) Rough and ready rider
In a supersonic sound machine
Rock and Roll survivor
Chrome pipes between your knees
Running all the red lites
Your gonna make a dead stop
But you just can't see the signs
Oh, you'll never win the race
But you can't give up the chase
Death alley driver
Living at high speed
Death alley driver,. Yeah
Death alley driver, who knows what you need
Death alley driver One hundred twenty five smokin' on the turns
Always on the hit and run
But you never learn
Running from the man, and you're running from yourself
Another dirty angel heading straight to hell
Oh, you'll never win the race
But you won't give up the chase
Death alley driver
Live in overdrive, Death alley driver, yeah
Death alley driver, ride to stay alive
Death alley driver
let's go
Red lights in the mirror
Danger on the band
Got to take a detour cause a road block's
up ahead
He takes you on the corner with a wave of
his hand
Death is in the back seat of a big old black
sedan
Oh, you'll never win the race
As you turn and see his face Death alley driver
Movin' for the kill
Death alley driver... yeah
Death alley driver
Time is standing still

Death alley driver
Always on the run cause you're a
Death alley driver
Love the way it feels
Death alley driver, yeah
Death alley driver
Hell on wheels
Death alley driver, ooh
