

# Here I Go

## Rockshop

Here I go, I don't give a damn if you wit me  
Stupidity, shit, I'm the reverse of Ziggy  
All that prettiness running on empty  
Only wusses need pity no, I ain't from the city  
Five minutes of fame if you don't know my name  
Oh yeah, I'm that field nigga, they all fear  
Here's a mad salute to all my troops  
Fuck a lawyer and the law and all them suits  
I spits and I vomit 'cause I come like a comet  
Better quit it if y'all don't know what y'all gettin' from it  
Just forget it if you wit it, that racket runnin' it  
Come on, come with it, I think, I'll fit it  
Go to war but what the hell I'm fightin' for  
As I soar yeah, baby, I like it raw  
No cigar, I ran over the pop star wit my car  
Again and may the best jam win  
Here I go, there you go  
Bingo, it don't matter if this platters a single  
Needin' needles like the Beatles needin' Ringo  
From the beginnin' I told you how to see through the linen  
All that talk but that's the way the side walks in New York  
I simplify 'cause you might be high  
Rip shit in the pit so what you don't like it  
This is man shit a hip hop trip  
On that aggressive tip but rap got pussy whipped  
Got out psyched down on that turnpike  
I knew this Philly who just wouldn't get right  
'Cause I was aware as a square in Delaware  
Execs writing checks for sex in spandex  
Radio's gettin' sucked by labels under the table  
Mix DJ's gettin' overpaid for airplay  
Try to shut me down like Ray, what I say  
Fuck your friends and may the best jam win  
Here I go, there you go  
Mirror, mirror, I'm finger pointin' at the man  
It is I, I interrupt the program  
Chuck D rubberneckin' with the fans  
Pe don't give a damn about uncle Sam  
And on and on like I said before

Some, the 100 meter dash, I'm the marathon  
Against the grain comin' like a train  
As you listen to the sounds that remains insane  
One on one and it's just begun  
To get out the ghetto and get something done  
To be the man you gotta beat the man  
Don't confuse me with being dumb or bubble gum  
And I'll be here as you disappear  
And I'll be around amongst the crowd  
'Cause anything I wear is a step on down  
That's how I've always been and may the best jam win
