Love and Death

Ebo Taylor

I can give you, you can give me
Something, everything
You are with me, I'm with you
Always, join me In

Love and death
Love and death
Don't you mess,
Don't you mess,
With my heart
Love and death
Love and death
Don't you mess
Don't you mess
With my heart
With my heart
With my heart

Fragile pieces
Don't regret the sorrows
That we've seen
Take it with us
Step into to my world
Join me in

Love and death
Love and death
Don't you mess
Don't you mess
With my heart
Love and death
Love and death
Don't you mess
Don;t you mess
With my heart
With my heart
With my heart

All the pain that we've been through
I'm dying to save you

Feel the blood in my veins flow

I've been dying to save you
I've been watching you swim
I'll just see you drown
As a tragedy of comedy

With my heart
With my heart

Love and death
Love and death
Don't you mess
Don't you mess
With my heart
Love and death
Love and death
Don't you mess
Don't you mess
With my heart

Love, death
Love, death
