

Why Don't You & I (feat. Alex Band)

[Santana](#)

Since the moment I spotted you
Like walkin' 'round with little wings on my shoes
My stomach's filled with the butterflies, and it's alright Bouncing 'round from cloud to cloud
I got the feelin' like I'm never gonna come down
If I said I didn't like it then you know I'd lied Every time I try to talk to you, I get tongue-tied
It turns out that everything I say to you
Comes out wrong and never comes out right So I'll say why don't you and I get together
An' take on the world, we'll be together forever
Heads we will and tails we'll try again So I say why don't you and I hold each other
Fly to the moon and straight on to heaven
'Cause without you they're never gonna let me in When's this fever gonna break?
I think I've handled more than any man can take
I'm like a love-sick puppy chasin' you 'round, and it's alright Bouncin' 'round from cloud to cloud
I got the feelin' like I'm never gonna come down
If I said I didn't like it then you know I'd lied Every time I try to talk to you, I get tongue-tied
It turns out that everything I say to you
Comes out wrong and never comes out right So I'll say why don't you and I get together
An' take on the world, we'll be together forever
Heads we will and tails we'll try again So I say why don't you and I hold each other
Fly to the moon and straight on to heaven
'Cause without you they're never gonna let me in Slowly I begin to realize this is never gonna end
But about the same time you walk by
And I say "Oh here we go again, oh" Every time I try to talk to you, I get tongue-tied
It turns out that everything I say to you
Comes out wrong and never comes out right So I'll say why don't you and I get together
An' take on the world, we'll be together forever
Heads we will and tails we'll try again So I say why don't you and I hold each other
Fly to the moon and straight on to heaven
'Cause without you they're never gonna let me in So I'll say why don't you and I get together
An' take on the world, we'll be together forever
Heads we will and tails we'll try again So I say why don't you and I hold each other
Fly to the moon and straight on to heaven
'Cause without you they're never gonna let me in
