Chiraq

Chief Keef

Can't even be in my hometown
They say that I wouldn't make it out
(I made it to Beverly)
My aunty miss her baby
My grandma that who raised me
My mommy is my queen
That's an understatementThat's probation for vacation
Let's talk to more lies and more paper
She don't love you than replace her
Like please see you later
Chiraq, chiraq,
Chiraq, chiraq
I will come back
Don't lie, don't lie
Don't die, don't die
I'll come back tonightThey tryna boobie trap you go around
Ten toes I'mma stand my ground
If I lean baby hold it down
Use to steal my granny car to ride around
Everybody be like we ain't coming home
Tryna get my life straight I need a comb Aye!
I been busy I'm out here on my own
Tryna figure out a way live on
(I will never let you go)Chiraq, chiraq
Chiraq, chiraq
I will come back
Don't lie, don't lie
Don't lie, don't die
I will come back to youLike it Natalie
Like an Oakland Raider
But I'm a player lady
You alligator I'm a tiger
Can't see the vision and nor the Bible
I'm a disciple so I'm forever riding
If you against me you're my rival
It's people who waiting for my arrival
If you miss a jet it gon' fly right by you
My daughter told me Daddy I admire youliving on my own but I keep believing
living on my own but I keep believing

living on my own but I keep believingWill come backliving on my own but I keep believing
living on my own but I keep believing
living on my own but I keep believingWill still come back
Will still come back
Will still come back
Will still come back to youChiraq, chiraq
Chiraq, chiraqI'll come back
Don't lie, don't lie
Don't die, don't die
Don't lie, don't die
I will come back tonight
to you
to youWill you come home
dark will never conquer light
She don't love you than replace her
Like please see you later
Stay man
