In My Head (Misha K & Galantis VIP Mix)

Galantis

Gasp for days but it's out of my hands
When I wake alone, I'm ditching my prayers
And when I close my eyes, I get lost in your face
I'm gonna fall, fall hard, no I don't give a damn
I wanna love out loud but I'm scared to say
It's like a ton of bricks that will fade away
I do it for you
I do it for you
Now you're in my head and it's out of my hands
When you're in my thoughts I don't wanna pretend
And I lose control with you
But you're in my head, but you're in my head
I Do it for
I Do it for (you)
Think I won't feel a thing if I give it some time
But your love is a wave washing over my mind
And I stare my world, now we can't hide
Laying next to you, my heart is on fire
Now you're in my head and it's out of my hands
When you're in my thoughts I don't wanna pretend
And I lose control with you
But you're in my head, but you're in my head
I Do it for
I Do it for (you)
I Do it for (you)
I Do it for (you)
