

As If We Never Said Goodbye

Barbra Streisand

I dont know why Im frightened
I know my way around here
The cardboard trees, the painted scenes
The sound here, yes a world to rediscover
But Im not in any hurry and I need a moment
The whispered conversations in overcrowded hallways
The atmosphere as thrilling here as always
Feel the early morning madness
Feel the magic in the making
Why everything's as if we never said goodbye
Ive spent so many mornings just trying to resist you
Im trembling now, you cant know how Ive missed you
Missed the fairy tail adventures
In this ever spinning playground
We were young together
Im coming out of make up, the lights already burning
Not long until the cameras will start turning
And the early morning madness
And the magic in the making
Yes, everything's as if we never said goodbye
I dont want to be alone thats all in the past
This worlds waited long enough
Ive come home at last
And this time will be bigger and brighter than we knew it
So watch me fly, we all know I can do it
Could I stop my hand from shaking?
Has there ever been a moment
With so much to live for?
The whispered conversations in overcrowded hallways
So much to say, not just today but always
We'll have early morning madness
We'll have magic in the making
Yes, everything's as if we never said goodbye
Oh, please, dont ever, ever make me say goodbye
