

Love One Another (J-Star club mix)

Cher

Everybody needs a little tenderness
Everybody needs a release
From the cell they lock themselves in
Loves the only pieceEverybody needs
Every body cries
Everybody bleeds
Everybody dies
Everybody dreams
Everybody waits
Everybody makes mistakeLove one another, sisters and brothers
Love one another, heyyahhhLove one another, father and mother
Love one anotherÃ¸?Â!
(love one another)
HeyyeahIts easier to walk away
When you've got wounded pride
How can two people stand together
that's how they heal insideTry to understand
Open up your heart
This is just a hand
It can come apart
Let go of the past
Let go of the fight
Forgiving fills the world with loveÃ¸?Â!Love one another, sisters and brothers
Love one another, heyyahhh
Love one another, father and mother
Love one another..
(love one another)Love one anotherYou were given a world so beautiful
A deep ocean and blue, blue sky
I know we can make it a better place
If only you and I(Love one another)Love one another, sisters and brothers
Love one another
HeyyayyLove one another, father and mother
Love one another
(love one another)
HeyyeahLove one another, sister sand brothers
Love one another
heyyahhhLove one another, father and mother
