Solid Gone

Tom Rush

Down around Biloxi
Pretty girls are swimming in the sea
Oh they look like sisters in the ocean
The boy will fill his pail with salted water
And the storms will blow from off towards New OrleansThe sun shines on Biloxi
The air is filled with vapors from the sea
And the boy will dig a pool beside the ocean
He sees creatures from a dream under the water
And the sun will set from off towards New OrleansThe stars can see Biloxi
The stars can find their faces in the sea
We are walking in the evening by the ocean
We are splashing naked in the water
And the sky is red from off towards New Orleans
