

Magnetized

D. Diggler

It was you and me
And we were just trying to find our way home
It was meant to be but all you want was a life of your own
And its killing me inside
If I see you leave tonight
I just can't sleep and I just can't eat
Oh I can't let go

Can't let you go, oh you're gone
I let you down, on and on
Its like you're pulling me, if I ain't gravity
Got me magnetized
There's no no no way out
Cuz you got got got me magnetized

What if I wasn't wrong?
Would that change your mind and make us stronger
I would die tonight, if I had to take it any longer
And its killing me inside
If I see you leave tonight
I just can't sleep and I just can't eat
Oh I can't let you go

Can't let you go, oh you're gone
I let you down, on and on
Its like you're pulling me, if I ain't gravity
Got me magnetized
There's no no no way out
Cuz you got got got me magnetized
