

# Give a Little Love (Radio Edit)

## Mr. President

Give a little love (3x)

Give me something you can't get back  
What it is I'm needing that

My love so deep inside  
It feels so good I just can't hide

To have you here I've tried

Your smiling face beside

Let's rise above

I got to give you just a little love

Bridge:

Shout it out if you feel my love

'Cause you know it comes from above

Shout it out if you feel my love

So pure like a dove

Chorus:

Gonna give a little love to my baby

Gonna give a little piece of my heart

Gonna give a little love to my baby

And I guess it will be not just a part

When you tell me that you love me

Tell me that you care

Make me feel like I got the world

In my hands

Give a little love (3x)

And maybe it's you

The world here in your hand

Your wish is my command

You know I'm here and how I care

And baby that I swear

You know I can't compare

I'll always treat you fair

Let's rise above

I got to give you just a little love

Bridge/Chorus

Give a little love (6x)

Na-ni-ni-na-na-na-na-na-na

Na-ni-ni-na-na-na-na (2x)

Chorus

Na-ni-ni-na-na-na-na-na-na

Na-ni-ni-na-na-na-na- and maybe it's you
