Queen Sanity

Bilal

If I could block the moon
And rob the sun from the sky
My love for you would still
Shine through me somehow
And if the rain won't fade away
My love would still soar
I love you girl and I know it shows
I can't deny the joy I found
And when I'm at my wits end
Say the word that gives me peace within
Queen of sanity from sanity of sanity
My soul is what you touched
I love you and I know it shows
How do you run this race
And never lose your pace?
(You're the queen of sanity)
Cold breath of night, calm voice of morning
(You're the queen of sanity)
Warm embrace of day, what more can I say?
(You're the queen of sanity)
I'd forget life whenever I hold you tight

(You're the queen of sanity)
Girl, I love you so
And I'm never gonna let you go
My soul, my soul is what you touched
And I love you so and I know it shows
How, how do you run this race
And never miss a beat, never lose your pace?
(You're the queen of sanity)
Cold breath of night, calm voice of morning
(You're the queen of sanity)
Warm embrace of day, what more can I say?
(You're the queen of sanity)
I'd forget life whenever I hold you tight
(You're the queen of sanity)
Girl I love you so
And I'm never, never gonna let you go
(You're the queen of sanity)

Queen of Sanity
(You're the queen of sanity)
