Spin Me Round [American Psycho Mix][*]

Dope

I don't wanna know your name
I do want your private number, babyAll I know is that to me
You look like you're lots of fun
Open up your loving arms
Yeah, what's up, what's upI set my sights on you (and no one else will do)
And I, I've got to have my way now, babyAll I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I comeYou spin me right round, baby
Right round like a record, baby
Right round round roundYou spin me right round, baby
Right round like a record, baby
Right round round roundI don't wanna be your friend now, baby
I wanna move it just a little bit closerAll I know is that to me
You look like you're lots of fun
Open up your loving armsWatch out here I comeYou spin me right round, baby
Right round like a record, baby
Right round round roundYou spin me right round, baby
Right round like a record, baby
Right round round roundAll I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I comeYou spin me right round, baby
Right round like a record, baby
Right round round roundYou spin me right round, baby
Right round like a record, baby
Right round round round
