

Rhinestone Eyes

[Gorillaz](#)

I'm a scary gargoyle on a tower
That you made with plastic power
Your rhinestone eyes are like factories far away
When the paralytic dreams that we all seem to keep
Drive on engines 'til they weep
With future pixels in factories far away
So call the mainland from the beach
Your heart is now washed up in bleach
The waves are rising for this time of year
And nobody knows what to do with the heat
Under sunshine pylons we'll meet while rain is falling like rhinestones from the sky
I got a feeling now my heart
is frozen
All the phoses and the grows in
Happy and after native in my soul
I prayed on the unmovable
Yeah clinging to the Adam's of rock
Seasons seas just smooth signs of change
I can't see now she so sexy
Now that light is so I can see
The storm bring strange loyalties and skies
I'm a scary gargoyle on a tower
That you made with plastic power
Your rhinestone eyes are like factories far away
(Here we go again)
(That's electric)(That's electric)
Helicopters fly over the beach
Same time everyday, same routine
Clear target in the summer when skies are blue
It's part of the noise when winter comes
It reverberates in my lungs
Nature's corrupted in factories far away (that's electric)
Your love's like rhinestones, falling from the sky (have electric)
With future pixels in factories far away (have electric)
Your love's like rhinestones, falling from the sky (have electric)
With future pixels in factories far away
