

Perfect Illusion

Lady Gaga

[Lady Gaga]
Tryin' to get control...
Pressure's takin' its toll
Stuck in the middle zone
(I just want you alone!)
My guessing game is strong
Way too real to be wrong
Caught up in your show
Yeah, at least now I know! It wasn't love, it wasn't love...
It was a perfect illusion (Perfect illusion!)
Mistaken for love, it wasn't love
It was a perfect illusion (Perfect illusion!)
You were a perfect illusion I don't need eyes to see
I felt you touchin' me
High like amphetamine
Maybe you're just a dream
That's what it means to crush
Now that I'm wakin' up
I still feel the blow
But at least now I know It wasn't love, it wasn't love
It was a perfect illusion (Perfect illusion)
Mistaken for love, it wasn't love
It was a perfect illusion (Perfect illusion) Where are you?
Cause I can't see you
It was a perfect illusion
But I feel you watchin' me
Dilated, falling free
In a modern ecstasy
Where are you?
Cause I can't see you
It was a perfect illusion
But I feel you watchin' me
But I feel you watchin' me
Illusion
But I feel you watchin' me
Mistaken for love
Where were you
Cause I can't see
But I feel you watchin' me

Mistaken for love
Dilated, falling free
In a modern ecstasy
Mistaken for love
In a modern ecstasy
In a modern ecstasy I'm over the show
Yeah at least now I know It wasn't love, it wasn't love
It was a perfect illusion (Perfect illusion)
Mistaken for love, it wasn't love
It was a perfect illusion (Perfect illusion)
You were a perfect illusion
You were a perfect illusion
It was a perfect illusion
Somewhere in all the confusion
It was a perfect illusion, illusion (illusion) Where were you 'cause I can't see it
It was perfect illusion
But I feel you watchin' me, baby
Somewhere in all the confusion
Dilated, fallin' free
You were so perfect
In a modern ecstasy (You were a perfect illusion...!)
