

10:30 am

The Barmitzvah Brothers

Ten-thirty a.m
The walker I am
The lone on their own
With the pen in their hand

The one with the book
The number they took
The sketch of the rockets
And blue-printed plans

A heated-up drink
The waterproof ink
How cold is the water?
Too cold, I think

The rocks on the ground
The Buckner style sound
I'm writing this down
And then later we'll sing:

[Chorus]
When we're about to meet up
It's okay to get up, today!
And then we'll clean up for once
and then we'll set up
x2

(dooh dah dooh...)

10:30 you are
Not walking as far
The one who thinks
About how we all are

The one with the room
Ready too soon
For two of us
To arrive in the car

[Chorus]

Then done for the night
It will be alright
We're both too tired
So let's not fight

And please let's wait
Until it's light
Before we go
That extra flight

[Chorus]

(dooh dah dooh duh dooooooooooh...)

...today...
