

Donna

Cliff Richard

Oh Donna

Oh Donna

Oh Donna

Oh Donna I had a girl Donna was her name

Since she left me well I've never been the same

'Cause I love my girl, Donna where can you be? And now that you're gone I'm left here all alone

All by myself to wander and roam

How I love my girl, Donna where can you be? Oh Donna, now that you're gone

I don't know what to do

All my love and all my kisses

Were for you, you just you I had a girl Donna was her name

Since she's been gone I've never been the same

'Cause I love my girl, Donna where can you be? Oh Donna, now that you're gone

I don't know what to do

All my love and all my kisses

Were for you I had a girl Donna was her name

Since she's been gone, I've never been the same

I love my girl, Donna where, where can you be? Oh Donna

Oh Donna

Oh Donna

Oh Donna
