

# Diced

## Creepmime

I am one  
I am multiple  
Impulse control  
Selves an integral part of myself  
Chaos in a nutshell  
Beautiful  
I am free  
And chance is my god I am one  
I'm chameleon  
A random man  
Every promise a dicers oath  
Doubt in your trusted hell  
Unpredictable  
I am me  
And chance is my god Every moment a game of chance  
As I dice with my life and death  
Diced
