

Girlfriend (D-Influence Real Live Mix)

Billie

I saw you jump up
You and your friends, baby
And I heard you say they're playing a jam
(there's a jam right here baby)
so waving your hand
from side to side, sugar
hear you're claiming you're a certified man
(certified)I know it might sound strange
But I pictured us alone
And you're kissing me in ways I can't tell - no
If my thoughts of you are true
Then I want to get with you
So I'll step in while I'm given the chance yeahDo you have a girlfriend? Do you have a girlfriend?
You're looking real cool You're looking real cool
Can I have you're number? Can I have you're number?
You don't have a thing to lose.
Do you have a minute? Do you have a minute?
What is on your mind? What is on your mind?
I was just thinking I was just thinking
We can spend some timeHeard a slow song
You don't waste time baby
And you asked me if I wanted to dance?
(sure I want to dance)
playing hard to get
takes to long, sugar
so I told my friends that I found a man
(you're the one)I know it might sound strange
But I pictured us alone
And you're kissing me in ways I can't tell - no
If my thoughts of you are true
Then I want to get with you
So I'll step in while I'm given the chanceDo you have a girlfriend? Do you have a girlfriend?
You're looking real cool You're looking real cool
Can I have you're number? Can I have you're number?
You don't have a thing to lose.
Do you have a minute? Do you have a minute?
What is on your mind? What is on your mind?
I was just thinking I was just thinking
We can spend some timedo ya do ya do ya have a girlfriend?

you're looking real cool
do ya do ya do ya have a minute?
I was just thinking
do you do you do you have a girlfriend?
We could spend some time
do you do you do you have a minute?
Are you all alone? A-ha A-ha I know it might sound strange
But I pictured us alone
And you're kissing me in ways I can't tell - no
If my thoughts of you are true
Then I want to get with you
So I'll step in while I'm given the chance Do you have a girlfriend? Do you have a girlfriend?
You're looking real cool You're looking real cool
Can I have you're number? Can I have you're number?
You don't have a thing to lose.
Do you have a minute? Do you have a minute?
What is on your mind? What is on your mind?
I was just thinking I was just thinking
We can spend some time Do you have a girlfriend? Do you have a girlfriend?
You're looking real cool You're looking real cool Can I have you're number? Can I have you're number?
You don't have a thing to lose
Do you have a minute? Do you have a minute?
What is on your mind? What is on your mind?
I was just thinking I was just thinking
We can spend some time
