

Wind Up Space

John Frusciante

I can't wait
I can't wait for the time to break
 Use it for a motorbike
 You'll spin right out of sight
You'll never have been where you'll be
 You go back to the faceless ride
 Wind up space
 Wind up space to go place to place
 Dream that you died
 It takes you out of your mind

The black walls of space take me all the way-----
