Through the Fire

Nina

1
i look in ur eyes and i can see
ur love so dangerously
ur not trustin ur heart to anyone

2
you tell me ur gonna play it smart
were through befor we strat
but i believe that we've only just begun

wen it's this good there's no saying no
i want you so i'm ready to go

CHORUS1
through the fire
through the limit through the wall
for a chance to be with you
i'd gladly risk it all

CHORUS2
through the fire
through whatever come what may
for a chance of loving you
i'd take it ALL the way

right down through the wire
even through the fire

i know ur afraid of what you feel
you still need time to heal
and i can't help if you'll only let me try

you touch me and something in me knew
what i could have with you
now i;m not ready to kiss that dream goodbye

when it's this sweet theres no saying no
i need you so i'm ready to go

REPEAT CHORUS1&2

(ADLIB)
