

# Sailing

## N-Sync

Well, it's not far down to paradise  
At least it's not for me  
And if the wind is right you can sail away  
And find tranquility Oh, the canvas can do miracles  
Just you wait and see  
Baby believe me, oh It's not far to Never Never Land  
No reason to pretend  
And if the wind is right you can find the joy  
Of innocence again Oh, the canvas can do miracles  
Just you wait and see  
Baby believe me, oh Sailing, takes me away  
To where I've always heard it could be  
I heard it could be  
Just a dream and a wind to carry me  
Soon I will be free, yeah Fantasy, it gets the best of me  
When I'm sailing, sailing  
All the world in a reverie  
Every word is a symphony  
Won't you believe me, oh Sailing, takes me away  
To where I've always heard it could be  
(Takes me away to where I want to be)  
I heard it could be  
Just a dream and a wind to carry me  
Soon I will be free Well, it's not far back to sanity  
At least it's not for me  
And if the wind is right you can sail away  
And find serenity Oh, the canvas can do miracles  
Just you wait and see  
Baby believe me, oh Sailing, takes me away  
To where I've always heard it could be  
I heard it could be  
Just a dream and a wind to carry me  
Soon I will be free, free Sailing, takes me away  
To where I've always heard it could be  
I heard it could be  
Just a dream and a wind to carry me  
Soon I will be free, yeah
