

Carry the Cross

Arch Enemy

We walk through the ages
The world on our shoulders
A burden we carry
To the dark end of our days
A thousand eyes watching
Every step we are taking
Waiting to see us
Struggle and fall
And when we are beaten
The cross holds us down
I hear them laughing
And walking away
Carry the cross
And suffer the loss
Hear my confession
Forever damnation
Reincarnation
Bleeding forever
Recover in pain
Pain gives me strength
Pick up the cross
And carry it on
Over and over
The wheel turns again
And when we are beaten
The cross holds us down
I hear them laughing
And walking away
Carry the cross
And suffer the loss
Hear my confession
Forever damnation
