

Could You Understand (featuring David Simpson)

A Guy Called Gerald

rhythm?
Say if tell you a story from my hood
 Could you ever
 Could you understand
 Could you ever now
 Could you understand
Say if I tell you a story from my hood
 Could you ever
 Could you would you understand
 Could you ever understand
 Say it?s all about coming up
 Cutting through but coming up
 Say it?s all about coming up
 Say it?s all about coming up
 Listen eh hot in the daytime
 Cold cash at the night-time
 Listen hot stuff in the daytime
 Cold cash money at the night-time
 You know we make it right why all
 Couple of zeros behind the one
Not for fun straight get the job done
 Could you understand
 Could you ever understand
 My hood
 'cause this is my hood
 Could you ever
 Would you ever know
 Could you understand
 Nowadays
 Could you represent
 Could you represent
 Could you represent
 Could you represent
 Could you understand
 Nowadays
 Could you ever
 Would you understand
