

# So Doggone Lonesome

[Johnny Cash](#)

I do my best to hide this lowdown feelin'  
I try to make believe there's nothin' wrong  
But they're always askin' me about you darlin'  
And it hurts me so to tell 'em that you're gone  
If they ask me, I guess, I'd be denyin'  
That I've been unhappy all alone  
But if they heard my heart they'd hear it cryin'  
Where's my darlin' when's she comin' home  
I ask myself a million times what's right for me to do  
To try to lose my blues alone or hang around for you  
Well I make it pretty good until that moon comes shinin' through  
And that I get so doggone lonesome  
Time stands still when you're a waitin'  
Sometimes I think my heart is stoppin' too  
One lonely hour seems forever  
Sixty minutes more to wait for you  
But I guess I'll keep waitin' till you're with me  
'Cause I believe that lovin' you is right  
But I don't care if the sun don't rise tomorrow  
If I can't have you with me tonight  
Well I know, I'll keep on loving you 'cause true love can't be killed  
I ought to get you off of my mind but I guess I never will  
I could have a dozen others but I know, I'd love you still  
'Cause I get so doggone lonesome
