When You Got A Good Thing

Lady Antebellum

Everybody keeps telling me I'm such a lucky man
Looking at you standing there, I know I am
Barefooted beauty with eyes that blue
The sunshine sure looks good on you, I swear
Oh, I can't believe I finally found you, baby
Happy ever after, after all this time
Oh, there's gonna be some ups and downs
But with you to wrap my arms around , I'm fine
So baby, hold on tight, don't let go
Hold onto the love we're making
'Cause baby, when the ground starts shaking
You gotta know when you've got a good thing
You know you keep on bringing out the best in me
And I need you now even more than the air I breathe
You can make me laugh when I wanna cry
This will last forever I just know, I know
So baby, hold on tight, don't let go
Hold onto the love we're making
'Cause baby, when the ground starts shaking
You gotta know when you've gotta good thing
We got a good thing, baby
Whoa
So hold on tight, baby, don't let go
Hold onto the love we're making
'Cause baby when the ground starts shaking
You gotta know, oh, you gotta know, oh, you gotta know
You gotta know when you got a good thing
We got a good thing, baby, whoa
