

Lyrical Lies (Electric)

Cute Is What We Aim For

A old man gave me a tip he said
"Don't waste your time with politics" he said
"Just chase skirts instead"
"Life is too short, and your almost dead" he said
"I met a woman once, I gave her my best shot"
"But never did I talk"
"If I had her back, I'd be as real as my age"
"I so don't blame them, I wouldn't do the same"
"But I can blame them, I'd Sing her this" And you want to be dressed in poetry
But imagery doesn't fit
And you want resizing
But darling dear get a grip And I think what I just wrote is going over my head
I'm stealing lines from myself
And what I said was never said
It's just a lyrical lie
Made up in my mind And you want to be dressed in poetry
But imagery doesn't fit
And you want resizing
But darling dear get a grip You're moving but not aware
You're drowsy without a care
Except keeping your whites behind your lids
And your lids are your best canvas
I can only imagine what your painting
And your body on my mattress is proof
And your makeup on your pillow is proof And I think what I just wrote is going over my head
I'm stealing lines from myself
And what I said was never said
It's just a lyrical lie
Made up in my mind
