I Wonder

The Ronettes

Mama said, before I'd grown
I'll find somebody I could call my own
So when the stars are shining bright
I dream about the boy
Who's gonna hold me tight

And I wonder
(wonder what or who he'll be)
Oh I wonder
(wonder what or who he'll be)
Will he be good to me
(wonder what or who he'll be)
Wonder if he'll love me
Forever, and ever

Everynight, I close my eyes
And there is something that I visualise
I hear a voice say 'I love you'
And picture all the things
That we're gonna do

And I wonder
(wonder what or who he'll be)
Oh I wonder
(wonder what or who he'll be)
Will he be good to me
(wonder what or who he'll be)
Wonder if he'll love me
Forever, and ever

I hope we'll never make each other cry
I pray we'll never ever say goodbye
Woa ho oh oh

And I wonder
(wonder what or who he'll be)
Oh I wonder
(wonder what or who he'll be)
Will he be good to me
(wonder what or who he'll be)

Wonder if he'll love me
Forever, and ever
