

# Fall For You!

## Secondhand Serenade

The best thing 'bout tonight's that we're not fighting  
Could it be that we have been this way before?  
I know you don't think that I am trying  
I know you're wearing thin down to the core  
Oh  
But hold your breath  
Because tonight will be the night  
That I will fall for you over again  
Don't make me change my mind Or I won't live to see another day  
I swear it's true  
Because a girl like you is impossible to find  
You're impossible to find This is not what I intended  
I always swore to you I'd never fall apart  
You always thought that I was stronger  
I may have failed, but I have loved you from the start Oh, but hold your breath  
Because tonight will be the night  
That I will fall for you over again  
Don't make me change my mind Or I won't live to see another day  
I swear it's true  
Because a girl like you is impossible to find  
It's impossible So breathe in so deep  
Breathe me in, I'm yours to keep  
And hold on to your words 'cause talk is cheap  
And remember me tonight when you're asleep Because tonight will be the night  
That I will fall for you over again  
Don't make me change my mind Or I won't live to see another day  
I swear it's true  
Because a girl like you is impossible to find Tonight will be the night  
That I will fall for you over again  
Don't make me change my mind Or I won't live to see another day  
I swear it's true  
Because a girl like you is impossible to find  
You're impossible to find
