Hit By Love

Lila McCann

We didn't know what hit us
We had to stop and catch a breath
Like a brick wall in a train tunnel
That scared us half to deathYou'd have thought we could've seen it coming
The way the two of us were runnin'
But I guess that's the way it is
If you've never beenHit by love, struck by lightning
Bound forever, there's no denying
That all we want is everything
That makes love like this come trueOh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by loveLooking back is easy
If you've got memories like ours
We crashed like two headlights
And we're still seeing starsAnd I don't have to stop and wonder
Where we'll find that rollin' thunder
'Cause my heart knows you and me
Are always gonna beHit by love, struck by lightning
Bound forever, there's no denying
That all we want is everything
That makes love like this come trueOh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by loveHit by love, struck by lightning
Bound forever, there's no denying
That all we want is everything
That makes love like this come trueOh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by loveThere we were, the two of us
Hit by love
Hit by love
