

# I'm Not Alright (Broken-World Remix)

## Sanctus Real

If weakness is a wound  
That no one wants to speak of  
The cool is just how far we have to fall  
And I am not immune  
I only want to be loved  
But I feel safe behind the firewall  
Can I loose my need to impress  
If you want the truth, I need to confess  
I'm not alright  
I'm broken inside, broken inside  
And all I go through  
It leads me to you, it leads me to you  
Burn away the pride  
Bring me to my weakness  
Until everything I hide behind is gone  
And when I'm open wide  
With nothing left to cling to  
Only you are there to lead me on  
'Cause honestly, I'm not that strong  
I'm not alright  
I'm broken inside, broken inside  
And all I go through  
It leads me to you, it leads me to you  
And I move, and I move, and I move, closer to you  
And I move, and I move, and I move, closer to you  
And I move, and I move, and I move, closer to you  
And I move, and I move, and I move  
I'm not alright  
I'm broken inside, broken inside  
Broken inside, broken inside  
And all I go through  
Leads me to you, leads me to you  
I'm not alright, I'm not alright, I'm not alright, that's why I need you
