

Flood

Jars of Clay

Rain, rain on my face
Hasn't stopped raining for days
My world is a flood
Slowly I become one with the mud But if I can't swim after forty days
And my mind is crushed by the crashing waves
Lift me up so high that I cannot fall
Lift me oh whoa-oh Lift me up when I'm falling
Lift me up, I'm weak and I'm dying
Lift me up, I need You to hold me
Lift me up, keep me from drowning again Downpour on my soul
Splashing in the ocean, I'm losing control
Dark sky all around
Can't feel my feet touching the ground But if I can't swim after forty days
And my mind is crushed by the crashing waves
Lift me up so high that I cannot fall
Lift me oh whoa-oh Lift me up when I'm falling
Lift me up, I'm weak and I'm dying
Lift me up, I need You to hold me
Lift me up, keep me from drowning again Calm the storms that drench my eyes
And dry the streams still flowing
Casting down all waves and sin
And guilt that overthrow me If I can't swim after forty days
And my mind is crushed by the crashing waves
Lift me up so high that I cannot fall
Lift me oh whoa-oh Lift me up when I'm falling
Lift me up, I'm weak and I'm dying
Lift me up, I need you to hold me
Lift me up, keep me from drowning again (Lift me oh whoa-oh) when I'm falling
(Lift me oh whoa-oh yeah) I'm weak and I'm dying
(Lift me oh whoa-oh) I need you to hold me
(Lift me oh whoa-oh yeah) keep me from drowning again
