Flood

Jars of Clay

Rain, rain on my face Hasn't stopped raining for days My world is a flood

Slowly I become one with the mudBut if I can't swim after forty days

And my mind is crushed by the crashing waves

Lift me up so high that I cannot fall

Lift me oh whoa-ohLift me up when I'm falling

Lift me up, I'm weak and I'm dying

Lift me up, I need You to hold me

Lift me up, keep me from drowning againDownpour on my soul

Splashing in the ocean, I'm losing control

Dark sky all around

Can't feel my feet touching the groundBut if I can't swim after forty days

And my mind is crushed by the crashing waves

Lift me up so high that I cannot fall

Lift me oh whoa-ohLift me up when I'm falling

Lift me up, I'm weak and I'm dying

Lift me up, I need You to hold me

Lift me up, keep me from drowning againCalm the storms that drench my eyes

And dry the streams still flowing

Casting down all waves and sin

And guilt that overthrow meIf I can't swim after forty days

And my mind is crushed by the crashing waves

Lift me up so high that I cannot fall

Lift me oh whoa-ohLift me up when I'm falling

Lift me up, I'm weak and I'm dying

Lift me up, I need you to hold me

Lift me up, keep me from drowning again(Lift me oh whoa-oh) when I'm falling

(Lift me oh whoa-oh yeah) I'm weak and I'm dying

(Lift me oh whoa-oh) I need you to hlod me

(Lift me oh whoa-oh yeah) keep me from drowning again
