

Therapy (feat. James Hart)

Cerrone

I wake up at night
I'm hearing voices in my head
Think I might be going crazy
But I don't mind
'Cus when you're all over me
I can't control myself
Think I might need help tonight Come and give it to me
'Cus I want it baby
And there's nothing I can't do
It's too far out of my hands
Come and give it to me
'Cus I need it daily
No, nothing else will do
This wasn't part of the plan
I need some therapy baby
You got me going through hell
Give me your therapy baby
Tonight I'm begging for help Got your toxins in my blood
And now it's sinking in
But be caught up in your madness
For my whole life
Something physical and spiritual
Is happening
Think I might need help tonight Come and give it to me
'Cus I want it baby
And there's nothing I can't do
It's too far out of my hands
Come and give it to me
'Cus I need it daily
No, nothing else will do
This wasn't part of the plan
I need some therapy baby
You got me going through hell
Give me your therapy baby
Tonight I'm begging for help I'm going out of my head
I need your therapy now
Come play with me in this bed I need some therapy baby
You got me going through hell
Give me your therapy baby

Tonight I'm begging for help Give me your therapy baby
Tonight I'm begging for help
