

Abide With Me

Pete Krebs

Anyone can tell you anything
You want to hear
It's easy if they're whispering in
Open ears

So you cross your fingers
'Cause they sound so sincere
But you don't understand how
Things are done around here
'Cause everybody wants a first
Time heart

And everybody wants to crowd
You in

And everybody wants to take
You apart at the skin

Watch where you go watch
Where you're lying

(I guess it's hard to do with
Stars in your eyes)

But don't you know it's just a matter of time

Before you're walking around like

A big fucking surprise

Ruby reds and emerald greens

Painting by number ain't no

Longer what it seemed

As your coloring in all your

Disaster scenes

Wishing to god that you knew

What it means
