I Think I Turned 22

Mindless Self Indulgence

Me think me turn 22.
Me think me turn 22.
I got some cards with some glitter and some glue.
Me think me turn 22.
Me think me turn 22 today.
Think me turn 22 today.
I went outside and I went to play.
I touched some ladies and they wanted to play,

Because the smacked me tag and ran away.
I think me turn 22 today...
Will sombody get me a present? Because me turn 22 today.
Next year I'm gonna be 22.
(again)
Next year I'm gonna be 22 again.
And me gonna go outside and play and touch some ladies,
Then smack me tag and run away.
