

I Know But I Don't Know

Blondie

I know but I don't know
I know but I don't know
I know but I don't know
I know but I don't know I give but I don't get
I will but I won't yet
I lose but I don't bet
I'm your dog but not your pet I know but I don't care
Then I know but I don't see
Now I see but I don't know
I care but I don't care I could but I won't be
You can but not with me
It's all a mystery
We're locked out without a key Now I know, I don't know
Now I see but I don't know
I care but I don't care
I know but I don't know Now I know that you don't know
And I see that you don't see
I care but I don't care
I don't care that you don't know
