

What If?

James Fortune

What if I was a robber taking things that I did not earn?
What if I was a killer that thought nothing of taking another life?
What if I was suicidal and the only life I wanna take is mine
Would he love me, and would he forgive me, would
he save me, and dare to
Use me?
What if I had a baby that I didn't allow to come into the world?
And what if I'm confused about whether I'm a boy or a girl
What if I took a husband away from his wife and his child?
What if I said before I didn't believe in God anyhow?
Would he love me, would he forgive me, would he save
me oh yea, and dare to
Use me?
Oh Ooo Oh Ooo Oh Ooo Ooo Ooo::Chorus::
I don't know everything
But this one thing I'm sure of
The blood of Jesus can make any sinner pure
Yes he loves you, yes he'll forgive you, yes he'll save you, he'll
even use
You
Oh ooo Oh ooo oh Hooo
Yes he loves you (With unconditional love)
He will forgive you (No matter where you've been or what you've done Oh)
He will save you (My God is mighty to save)
He'll even use you (I'm a living witness yea)
Oooohh OoooYea
(What can wash)
Yea
(Away my sins)
He will forgive you
(Nothing but the blood of Jesus)
(Hey)
Yea
(What can make)
Yea
(Me whole again)
And he will save you
(Nothing but the blood- nothing but the Blood of Jesus)
What if I was a... ?
