## Three 6 Mafia

[violent j's intro]I choke... nope... thats wack hold up.  
I stab you with an umbrella,  
Then open it cause I'm sick like a diseased ethiopean.  
Alright hold up!!!! wait a second listen!

Three 6 mafia, insane clown posse, and twiztid!  
[juicy j]We used to... we used to.... we used to rob for them petty things,  
Like a gold chain, no a muthafuckin pinky ring, now it's cocaine  
If you see me on the dope train, I'm the dope man  
Cigarettes in muh right hand, ready to make a stain  
Old folks scared of eye-gain, at the window pane  
They be lookin' wit a migraine  
While I catch a drain and you know it's a fuckin' shame  
When you in this game tryin' to sell to a sprung lane  
I control ya brain  
[dj paul]Now do muh niggas bust glocks fuck wit us bitch see  
It's the 6buggaz? of the boat, bust a trick make 'em bleed  
Through his neck through his back nigga cover them hoes  
Ain't no vest goin' be workin' when you twirkin' with some pros  
Automatic weapon carrier silence on the barrier, hang 'em in the closet  
Kidnap the treasurer, bandanas on our face we wilin' out like some cowboys  
Hoe we need the g's and I'm talkin like now boys!  
Chorus: gangsta boo (repeat 2x)  
We be just anotha crazy click  
Doin whatever to get us by when we pumped up  
You out of luck bitch I ain't goin' lie  
Show 'em who really runnin the streets with the calicos  
[monoxide child]We the click that don't play...  
Quik to rip ya head off and hand it to violent j and bury it away  
I'm on the spree killa for freak without a conscious  
Bitches we on a mission to bomb shit!  
  
Twiztid, icp, with the triple six click  
Hoes that pop lip, can eat a dick, or get ya neck slit  
I'm havin' these memory relapses of bodies up in the caskets  
With no heads monoxide foolin' wit tha dead!  
[jamie madrox]We rollin' deep on the lawn with the psychopathic leathers on  
You say it's on? so come bring it on
