

A Walk Outside

Butterfly Boucher

Which came first
The love or the love song?
Which is more important
In the long run?
Do you really want to talk about it?!
Take it to the back veranda
Have a drink and talk around it
In the end it doesn't matter
In the end we all go home
I thought about it for a minute
Music's in the kiss we hold
Which came first
The love or the love song?
I'm sorry
I guess I was wrong
Let us find the tune without a sound
Find a place no one's found

Pick it up and put it down
In the end it doesn't matter
In the end they all go home
I thought about it for a minute
Music's in the kiss we hold
Music is a walk outside
Ahhh ahhh... ahhh ahhh...
Clever lines and clever lyrics
All boil down to what goes in them
If they find life then so do we...aahhh...
...yeah ah ha I think we're alive
Music's in the things that matter
Hear it in the kiss we hold
Music is a walk outside
Which came first
The love or the love song?
