

English Summer Rain

Placebo

Always stays the same, nothing ever changes
English summer rain seems to last for ages
Always stays the same, nothing ever changes

English summer rain seems to last for agesI'm in the basement, you're in the sky
 I'm in the basement, baby, drop on by
 I'm in the basement, you're in the sky
I'm in the basement, baby, drop on byAlways stays the same, nothing ever changes
 English summer rain seems to last for ages
 Always stays the same, nothing ever changes

English summer rain seems to last for agesI'm in the basement, you're in the sky
 I'm in the basement, baby, drop on by
 I'm in the basement, you're in the sky
I'm in the basement, baby, drop on byHold your breath and count to ten
 And fall apart and start again
 Hold your breath and count to ten
 Start again, start again
 Hold your breath and count your step
 Fall apart and start again
 Start again
 Start again
 Start again
 Start again
 Start again
 Start again
 Start again
 Start again
 Start again
 Start again

Start againAlways stays the same, nothing ever changes
 English summer rain seems to last for ages
 Always stays the same, nothing ever changes

English summer rain seems to last for agesHold your breath and count to ten
 Fall apart and start again
 Hold your breath and count to ten
 Start again, start again
 Hold your breath and count to ten
 Fall apart and start again

Hold your breath and count to ten
And start again, and start again
Start again
Start again
Start again
