Cancer

Joe Jackson

Everything, everything gives you cancer
Everything, everything gives you cancer
There's no cure, there's no answer
Everything gives you cancerDon't touch that dial
Don't try to smile
Just take this pill
It's in your fileDon't work hard
Don't play hard
Don't plan for the graveyard
RememberEverything, everything gives you cancer
Everything, everything gives you cancer
There's no cure, there's no answer
Everything gives you cancerDon't work by night
Don't sleep by day
You'll feel all right
But you will payNo caffeine
No protein
No booze or nicotine
RememberEverything, everything gives you cancer
Everything, everything gives you cancer
There's no cure, there's no answer
Everything gives you cancerNo caffeine
No protein
No booze or nicotine
RememberEverything, everything gives you cancer
Everything, everything gives you cancer
There's no cure, there's no answer
Everything gives you cancer
