

# Mr. Pawnbroker

**B.B. King**

I'm a pawnbroker  
What do you want on your ring  
I'm a pawnbroker  
What do you want on your ring  
See like every woman I loaned  
They want the same old thing Have to use my tester  
And see if will stand the test  
Have to use my tester  
And see if will stand the test  
Yes, I'm a ring pawnbroker  
Don't have nothing but the best 18 carat is okay  
But 14 carat will make the grade  
18 carat is okay  
But 14 carat will make the grade  
Yes, I'm a ring pawnbroker  
Don't have nothing but the best that's made Yes, I'm a payin' pawnbroker  
I pay the best price in town  
Yes, I'm a payin' pawnbroker  
I pay the best price in town  
Well, if you don't believe me  
Baby, just lay your ring down Yes, you may need money, baby  
On your ring some day  
Yes, you may need money, baby  
On your ring some day  
Well, you can't ever tell  
What bad luck may come your way
