Answer To My Prayer

Allen & Allen

Love is the answer to my prayer
Don't you ever leave me
I swear that you are the answer to my prayer

I prayed for a lot of thing's to come my way
You came and you brightened up my
darkest days
You are the one that I've been waiting for
I cross my heart my love for you is pure
Cause love is the answer to my prayer
Don't you ever leave me
I swear that you are the answer to my prayer

I was such a lonely guy always alone
The blues were my only friend but now they're gone
I never knew that love could be so grand
You changed my life now I'm a happy man
Cause love is the answer to my prayer
Don't you ever leave me
I swear that you are the answer to my prayer

Love is the answer to my prayer
Don't you ever leave me
I swear that you are the answer to my prayer
Don't you ever leave me
I swear that love is the answer to my prayer
I swear that you are the answer to my prayer
Don't ever leave me
