Into You Like a Train

Jawbreaker

No kind of love
No kind of loveI don't wanna make no scene
Lovers come and goOr make you mrs. anyone
Or make you mr. meI'm into you like a trainInto you like a train
Into you like a train
Yeah fall in love
Yeah fall in loveI don't wanna tape you down
Or shack you up with me
Or get into your mind
Or put you where the flowers goI'm into you like a trainInto you like a train
Into you like a train
Now fall in love
Yeah fall in loveIf you believe that anyone
Like me within a song
Is outside it all
Then you are all so wrongIf you believe that anyone
Like me within a songWould try and change it all
Then you have been put onI'm into you like a train
Into you like a train
Into you like a train
Yeah fall in love
Yeah fall in loveNo kind of love
No kind of loveI don't wanna wear no side
Or complicate it all
Or celebrate your prettiness
And kick you in it allI'm into you like a trainInto you like a train
Into you like a train
Yeah fall in love
Yeah fall in loveIf you believe that anyoneLike me within a song
Would try and change it all
Then you have been put on
So wrongInto you like a train
