

# I Am

## Lil Baby & Gunna

Cook that shit up, Quay  
Baby, huhChristian Dior on my shoes  
They cost a band, I prolly won't wear again  
Lil Mizzy just came on the news  
I'm thinkin', "Damn, he back in trouble again"  
Made me a mil' 'cause I can  
I know who I am, and I give thanks to the man  
The tiger just jumped out the can  
That's my lil' man, right back gettin' action again  
That young nigga shit, we still on it  
My dawg goin' through it, I feel for him  
She told me she love me, I fell for her  
Got real niggas sittin' in jail for it  
Buy the pack, I'ma put it in the mail for it  
On the hunt for the money, I smell for it  
I went big dawg on them, this Tom Ford  
That lil' boy shit I ain't goin' for it  
Gettin' money every day I wake up  
Don't ask me, "Did your man and lil' shawty break up?"  
Them M's comin' in, let 'em stack up  
Don't ride my wave, dawg, back up  
I ain't never had shit, I gotta act up  
Don't come too close, my dawgs wan' buck  
I don't need no help, I don't ask for much  
If I ever go broke, we maskin' up  
Ran the money up, way up  
Life ain't sweet, ain't no lay-up  
Drip for sale, they gotta pay us  
I stayed down and I came up  
Stayed the same and they changed up  
I knew they was gon' change up  
Money never gon' change us  
I just be in my lane stuckI parked the Bentley inside the garage  
I don't know how much head I can dodge  
I can get you knocked off with a knot  
4 Pockets Full, everyone got a knot  
I say this shit from the heart  
I knew you weren't real, you weren't there from the start  
Anything good in my way came from God

Go get on stage and I get an applause  
Damn Young Gunna done growed up  
Bent the Bentley coupe, they know it's us  
My bro took a loss and I picked him up  
We stick together, they ain't rich as us  
I wanna sit down, she ain't lit enough  
Every time I count cash, swear I get a rush  
My money long as the yellow bus  
It ain't no secret, I'm livin' plush  
Ran the money up, way up  
Life ain't sweet, ain't no lay-up  
(Cook that shit up, Quay!)  
Drip for sale, they gotta pay us  
I stayed down and I came up  
Stayed the same and they changed up  
I knew they was gon' change up  
Money never gon' change us  
I just be in my lane stuckRan the money up, way up  
Life ain't sweet, ain't no lay-up  
Money never gon' change us  
I just be in my lane stuck  
Stayed the same and they changed up  
I knew they was gon' change up
