

# Stardust

## Merle Haggard

Sometimes I wonder why I spend  
The lonely night dreaming of a song  
The melody haunts my reverie  
And I am once again with you  
When our love was new  
And each kiss an inspiration  
But that was long ago  
And now my consolation  
Is in the stardust of a song  
And beside a garden wall  
When stars were bright  
You are in my arms  
The nightingale told his fairy tale  
A paradise where roses bloom  
Though I dream in vain  
In my heart it always will remain  
My stardust melody  
The memory of love's refrain  
Though I dream in vain  
In my heart it always will remain  
My stardust melody  
The memory of love's refrain  
The memory of love's refrain
